ROCKBRIDGE REG JAIL	SHERIFF/ SUPERINTENDENT	<p>FY21 May 13, 2020 Officer Requests additional funding to address continuing challenges related to overcrowding at the Rockbridge Regional jail. Officer requests additional funding in the amount of \$196,710. This is equivalent to 6 Emergency C7 positions at entry-level.</p> <p>Officer notes that on the December 18, 2019 Docket, emergency funding for 9 additional positions was requested due to the overcrowding in the jail, and emergency temporary funds for 3 positions was granted by the Board and has helped tremendously.</p> <p>Officer further notes that even during the pandemic, the facility is still handling intake/release transactions that are significant to the small regional facility. Before COVID-19 the emergency temporary funding for positions transformed operational efficiency as population far exceeded rated capacity. Currently, the facility remains overcrowded and population still exceeds rated capacity. Courts are resuming operations with an enormous backlog of offenders that is anticipated to increase population immediately following sentencing. The jail anticipates again reaching pre-COVID-19 population levels quickly.</p> <p>While utilizing temporary funds in FY20 for additional staff has helped address some issues, the jail is still in need of this funding for these positions in FY21. If the Board sees fit to grant additional funding for FY21, it will continue to ease the understaffing and overcrowding issue the jail faces, thus mitigating some security concerns.</p> <p>Staff notes the jail is currently funded for base and emergency staffing of 29 corrections officer positions based on an operating capacity of 56 and a CY19 average daily population of 151 inmates (170% above capacity). Total corrections positions due for capacity and overcrowding total 38, with a current additional need for 9 overcrowding positions. The officer requested 10 additional corrections officer positions in his FY21 budget request at an annualized cost of \$358,553. No additional positions were approved in the FY21 budget, however, reallocation of emergency positions during FY21 is pending attrition in two facilities.</p>		\$196,710	<p>The Compensation Board approved the allocation of additional temporary salaries funds in the amount of \$48,867 in FY21, based upon funding equivalent to the entry-level salary for three emergency corrections officer positions at \$32,785 (15.66/hour) effective July 1, 2020 through December 31, 2020, or until such time as emergency corrections officer positions are available through attrition for reallocation as emergency corrections officer positions. Should additional emergency corrections positions become available for allocation through attrition prior to December 31, 2020, temporary salary funds approved will be removed on a pro-rated basis. The Compensation Board asks that staff provide an update regarding the status of this matter at its December, 2020 meeting for consideration.</p>

<u>LOCALITY</u>	<u>OFFICER</u>	<u>REQUEST</u>	<u>CONSENT DOCKET</u>	<u>TOTAL COST</u>	<u>COMPENSATION BOARD ACTION</u>
CRAIG COUNTY	CIRCUIT COURT CLERK	<p>FY21 May 11, 2020 Officer requests additional Temporary funds in the amount of \$15,246.40 to maintain one full-time position from July 1, 2020 to June 30, 2021. Officer calculates the salary at \$7.33 per hour, for 8 hours per day, 5 days per week, for 52 weeks equals \$15,246.40. The annual salary would equate to \$26,179.40 when combined with the partial salary of position 00003 in the amount of \$10,933.</p> <p>Officer states a third full-time employee is instrumental in running the office when the deputy clerk or officer is on vacation, out sick or attending training. When Court is in session it takes two people in the Court room. Also, when the Clerk is busy, it leaves one person to answer phones and wait on customers.</p> <p>Staff notes: per County Administrator, whereas the officer has requested full-time funds the past four years, the County's financial condition has prevented approval of her request. Due to budget constraints, the officer's request has not been approved.</p> <p>Staff notes: this office has the elected officer, one full-time Deputy Clerk and 1 partially funded Deputy Clerk position, is Ranked 81 for Staffing Standards position need, is due 0.29 FTE and is in 10.66% of Need.</p> <p>Staff notes further: For FY20, the officer made the same request, and the Compensation Board approved one-time temporary salaries funding in the amount of \$13,943 for the period of July 1, 2019 through June 30, 2020, based upon the conditions stated by the officer. This amount was based upon staffing standards need and budgeted funding in the office's third position, and was approved as a one-time action to enable the officer to continue to work with the VCCA to pursue funding needed for all offices to be staffed at a base 3-person level. Although the legislature approved additional positions and funding in the 2020 regular session to allow for a minimum of 3 funded positions in each Clerk's office for FY21, the funding was unallotted during the reconvened session and implementation restricted due to anticipated significant revenue reductions from the pandemic.</p>		\$15,246.40	<p>The Compensation Board approved a one-time amount of \$7,623.20, in temporary salaries funding, based upon the request of the officer, but for six months, from July 1, 2020 through December 31, 2020. The Board acknowledges that this need was recognized through legislative approval during the regular session of the 2020 General Assembly, and that this office has an exceptional situation where a minimum need for two staff is not met through state and local funding combined; however, given uncertainty regarding future revenues, the Board approves this additional funding for a six-month period at this time. Future consideration for the remaining six-months will be contingent upon greater clarity in forecasted revenues later in the year.</p>
